PROFILE

I am creative, self-initiative and organised recent graduate in Fashion Design. I am very dedicated, enthusiastic and willing to learn so I always work hard to achieve the best results. Because of my previous working/internships experience I am used to work both in teams and individually, in dynamic and fast paced environments. I believe that with a confident, can do attitude and ability to work under pressure I would become the strong team player in the company.

EXPERIENCE

INTERNSHIP- LULU LIU - SS2015 DESIGN STUDIO 2015 SEPTEMBER
